No-Show Policy

Welcome to Healthstar Physicians, P.C... Please take time to review the following information pertaining to our policy for no-show appointments.

We understand that scheduling conflicts occur from time to time. However, we request 24 hours advance notice if you are unable to keep your scheduled appointment(s). Two or more missed appointments may result in your family being dismissed from Healthstar Physicians, P.C. A \$25 fee may be incurred after the second missed appointment for not providing the office with prior notice of cancellation.

Healthstar Physicians, P.C. have developed our "No-Show" policy in an effort to better serve our patients by providing same day appointments to those who are sick and need to be seen. If someone schedules an appointment and does not show for the visit, we have lost an available time that could have been used for a sick patient.

We look forward to providing your health care needs. Your understanding and cooperation help's us to provide available appointments for patients who urgently need them.

Please sign below as confirmation that you have read, acknowledge and understand our policy regarding no show appointments.

Financial Policy

Healthstar Physicians, P.C. believes that part of good healthcare practice is to establish and communicate a financial policy to our patients. We are dedicated to providing the best possible care for you, and we want you to have an understanding of our financial policy.

1. **PAYMENT** is expected at the time of your visit. Just as we make every effort to accommodate you when you are in need of medical care, we expect that you will make every effort to pay your bill promptly. Payment is due at the time services are provided or upon receipt of a statement from our billing office. *We will accept cash, check, debit, credit or health savings accounts.* You may also make a payment online through our patient portal.

Payment will include any unmet deductible, co-insurance, co-payment amount or non-covered charges from your insurance company. If you do not carry insurance, or if your coverage is currently under a pre-existing condition clause payment in full is expected at the time of your visit. We do ask for a copy of your current insurance card at the time of your visit to ensure we properly file your claim.
2. **SURGERY PATIENTS:** You may be responsible or required to pay a percentage of surgery charges prior to any surgeries or procedures. This will be determined by information given to us by your insurance company in regard to patient percent responsibility.
3. **INSURANCE:** We participate with several insurance plans and will file your claims on your behalf. It is your responsibility to ensure coverage for services prior to your visit. You will be responsible for the complete charges for any non-covered services provided. In addition, all co-payments, deductibles or non-covered charges will be due at the time of service. You must provide proof of insurance at each visit so we can ensure proper billing to your benefit plan. We do not bill third party payors, but will be happy to provide a copy of the original claim if requested.
4. **HIGH-DEDUCTIBLE PLANS:** Under these plans, your insurance company will provide you a discount off our billed charges, but you are responsible for the discounted amount due until you meet your deductible. ***We will accept cash, check, debit, credit or you may use your health savings account.***
5. **SELF-PAY:** Patients with no insurance will be asked for a \$100-\$500 deposit, depending on specialty, prior to the visit. At check-out the patient will be asked to pay the rest of the charges generated during the visit or will receive the difference back if total visit charges are less than the deposit amount.
6. **MOTOR VEHICLE ACCIDENTS:** MVA's and legal issues will be treated as self-pay visits.
7. **RETURNED CHECKS** will incur a service charge currently set at \$30, which may vary from time to time as determined by our financial institution.
8. **ACCOUNTING PRINCIPLES:** If there is an overpayment on your account, we will refund any overpayment to you after overpayment credit is applied to any outstanding account balance (s). Payment and credits other than copays are applied to the oldest charges first, except for insurance payments which are applied to the corresponding date of service.
9. **FORMS FEES:** Fees are to be paid when form is completed/picked up. Rates are as follows:
 - DURING an office visit: No Charge
 - AFTER an office visit: \$5 / Simple form
 - Examples of Simple Forms: Handicap tag/sticker, concussion clearance, WIC, Home Bound Status Short form, Bank Loan College & Camp Form.
 - Complex Forms: \$25 (completed within 10 business days)**

10. MISSED APPOINTMENTS: If you fail to cancel a previously scheduled appointment at least 24 hours in advance, you may be charged a fee as outlined below:

- \$25 after the second missed appointment.

This charge cannot be billed to the insurance company. Failure to pay a no-show fee will be treated according to our policy on unpaid balances. This charge is not applicable to patients with Medicaid/TennCare insurance coverage. After 3 no-show appointments in a calendar year, you may be discharged from the practice, at the discretion of the responsible provider and management. Medical care will not be withheld for a medical emergency for thirty days from date of dismissal.

11. UNPAID BALANCES: All outstanding balances shall be due within 30 days of the date of service. At that time, all past due balances in their entirety must be paid prior to the time of your next visit. I have read, understand and agree to the Financial Policy as provided to me. I understand that charges not covered by my insurance company, as well as applicable co-payments, deductibles and any charges older than 30 days from the date of service are my responsibility.

I authorize Healthstar Physicians, P.C. to release pertinent medical information to my insurance company when requested or to facilitate payment of a claim. I authorize my insurance benefits be paid directly to Healthstar Physicians, P.C.
